MUSIC DIRECTOR: MARK EDWARDS

Hi Frank,

Glad you could use all the info. Dan Rouser of the Embarrassment called me today and said they've sent copies of EP twice to our station, but they never arrived at my feet. Said he will try again 1st class mail. Got any plans for coming through Cle? would like to have you play here. Don't know of any Cle bands making trips out your way right now. Really like your stuff the more I hear it. Do you have anything else put together (cassettes, demos, etc?) would really like to hear more. Keep me informed OK?

Mark E.
